Members of the 20 Year Club, listed from left to right: Nikki Spantithos, James Gloyd, Russ Hall, Dawn Schaffner, COO, Pat Jenkins, Emily Hobson, Brenda Christy and Brenda Van-Paepeghem. Members not in this photo: Marilyn Baker, Bea Edwards, Donna Gautier, Glenda Neely, Dorothy Pfefferle and Gloria Warren.

Wesley Glen celebrated its 40th anniversary in 2009, and our “Oscars Night” anniversary dinner was the culmination of a year-long celebration. Mostly what we celebrated was the people – founding board members, 20 Year Club employees, and residents throughout Wesley Glen’s first forty years. One of our founding board members, Bob Holm, is still an active member and integral part of the Board of Trustees. Members of our 20 Year Club were specifically recognized – between them they have 557 years of service!

Clearly, our past stars – residents, employees, and Board members -- have created a bright future for Wesley Glen, Wesley Ridge, and Wesley Hills, and we are grateful for their contributions of service to the residents and to each other.

Wesley Glen Stars

Photo of many of the stars that were honored at Wesley Glen's 40th Anniversary Celebration in December of 2009.

Wesley Glen celebrated its 40th anniversary of the first resident moving into Wesley Glen throughout 2009. The culmination of the events was a Celebration of 40 Years of Excellence and many of Wesley Glen's stars were recognized with an "Oscar" Night Celebration.

And the Winners are . . .

The first category was the "Plank Award."

A Plank Owner is an individual who was a member of the crew of a ship when that ship was placed in commission. Three individuals received this award.

Rev. Marvin Bean ~"Plank" Award

Rev. Bean holds the distinction of being one of the officers appointed by the Trustees to sign an agreement of purchase for the Virginia Gay Building on July 29, 1965. He began serving on the Board in 1969. Therefore he can be considered a founding father of Wesley Glen.

Bea Edwards ~"Plank" Award

One of the very first employees who was one of the pioneers of this community and continued to serve for thirty over years. Her grace, dedication and spirit to serve is and has been so greatly appreciated. Hired on October 2, 1970 as a State Tested Nurses Aide, Bea worked in the Health Center as an STNA and was part of the first therapy department. She then moved to the activities department where she focused on keeping the residents active and involved.

Bob Holm ~"Plank" Award

Mr. Holm was 31 when he joined the Board at Wesley Glen (the towers were under construction). He then served on the Life Center Board and currently serves on the Methodist ElderCare Board. He is the longest serving Board Member.

Dr. Wesley Clarke ~"Stragic Planning" Award

Dr. Clarke knew in 1981 that Wesley Glen needed a position in the Columbus senior housing market that would meet the needs of a population that needed more than independent living. He guided Wesley Glen to offer a full continuum of care.

Russell Hall ~"Cornerstone" Award

Russ Hall assumed the duties of Controller in 1973 and developed policies that are still in use today. We continue to benefit from his financial knowledge and intuition.

Ron Kyser ~"Hard Hat" Award

Through the years, Ron Kyser has kept the best interest of Wesley Glen at hand in every phase of construction.

Pat Jenkins ~"Outstanding Service" Award

Hired one week after the doors opened in 1970, Pat is a bundle of energy that allows her to accomplish many things at one time. She is warm and friendly and began the Annual Anniversary Celebration Dinner 40 years ago, and the tradition lives on today.

Ruby Baird ~"Virginia Gay" Award

Ruby understands the meaning of charitable care and has given financially and through gifts of time and talents for many years. When you really care, it shows.

Shirley Miller ~"Florence Nightingale" Award

Shirley's dedication is a light to truly admire. Her commitment to patient care, love and compassion earn her this award.

Wynd Family ~"The Legacy" Award

Bob and Kathryn Wynd are the second generation of the Wynd family to live at Wesley Glen. Rev. John and Orpha Wynd were one of the first couples to sign up on the list before the opening of Wesley Glen. Bob's father, Rev. John, became the first centenarian to live at Wesley Glen.

Rev. Len Confar ~"The Pioneer" Award

First Pastor to serve as chaplain; helped blaze a path for the fantastic organization that we have today.

Wesley Glen Guild ~"The Best Supporting Actor" Award

accepted by Emily Hobson
Contributions from the Wesley Glen Guild have enhanced life at Wesley Glen since its formation in July of 1970. Thanks to all the members over the years. A history and a listing of some of the Guild's contributions are on page 5.

Wesley Glen Guild

Throughout the years the members of the Wesley Glen Guild have let their light shine brightly in their support of the ministry of Wesley Glen.

History

In July of 1970, the Executive Committee of the Wesley Glen Trustees authorized the formation of an auxiliary, now known as Wesley Glen Guild. In 1973, a steering committee, chaired by Esther Leonard, enlisted the support of the Columbus North, Columbus South, Newark and Springfield Districts of the West Ohio Conference of The United Methodist Church.

The first officers of The Guild were elected in 1974. They were: Mary F. Radcliffe, President, Good Shepherd United Methodist Church, Circleville, Howard Taylor, Vice-President, Hilliard United Methodist Church, Elinor Patterson, Secretary, Maple Grove United Methodist Church, and Sara Cox, Treasurer, Trinity United Methodist Church. The Executive Board included members from Bellefontaine, Springfield, Zanesville and Westerville.

Purpose

The purpose of the Guild is to assist in raising funds to benefit Wesley Glen Retirement Community, to provide volunteer services for Wesley Glen and its residents, and for Guild members to serve as messengers to tell the Wesley Glen story.

Wesley Ridge

Celebrating 10 years of service

Wesley Ridge passes the 10th Anniversary milestone and looks back to its beginnings with appreciation of those who have walked alongside while the campus grew. Without the faith and trust that many staff and residents have placed with Wesley Ridge these past ten years, Wesley Ridge would not be the success that it is today.

Four individuals were honored in 2005 for their contributions to Wesley Ridge by having their names placed on the top beam that was added to the Parkside building during construction. Frank Clegg, Jerry Draper, Mike Herrel, and Alba Whiteside were recognized again by receiving the “I-Beam” Award at the Wesley Glen 40th Anniversary Oscar Night for the dedication of their time and talents to the service of not only Wesley Ridge, but also Wesley Glen and Methodist ElderCare.

To date, there are 16 staff members (Caryl Barrett, Mary Ann Baxter, Kimberly Brown, Dean Cornelius, Becky Duncan, Catherine Green, Barbara Happie, Maurice Jackson, Mia Lewis, Darlene Meinert, Judy Miller, Kathy Miller, Kellie Newberry, Arlene Reel, Jackelon Roebuck, and Deana Walker) that have been at Wesley Ridge for over 10 years, which says a lot for their on-going dedication and belief in what Wesley Ridge is about. These staff members selflessly give day-in and day-out; and with the transitioning job market of today’s society, it is gratifying to see long-term staff who appreciate their jobs and are willing to grow with a company.

Wesley Ridge’s independent living homes will soon reach its ten year anniversary, and a core-group of eight residents (four couples) have been in the homes since their opening. These couples (Mr. and Mrs. Barbee, Reverend and Mrs. Delp, Mr. and Mrs. Pittenger and Mr. and Mrs. Woodfill) showed their

Photos taken of the “Topping off” Dedication that was held in the winter of 2005. In honor of their work, the names Frank Clegg, Jerry Draper, Mike Herrel and Alba Whiteside were written on the last and top beam that was raised at the “topping-off” ceremony.

tremendous trust and support in Wesley Ridge as far back as 1998 (the opening of Wesley Ridge) when they were able to envision what the future held and bought into the Ridge Homes even though preliminary drawings were all we had to show of the proposed homes. They persevered through mud-soaked sites and bad-weather stricken pre-construction events. They opened their homes to marketing for prospects and became advocates for the campus through their volunteer positions as the “Ridge Home Mayor” and Resident Association President, positions that included being a liaison between the Ridge Homes and our “Parkside” neighbors.

Thank you to all the dreamers, staff, residents and volunteers who have contributed so much over the years and enabled Wesley Ridge to shine in the surrounding community and into the future.

Life Center Adult Day Services

Rosalyn Carter said it best: “There are only four kinds of people in the world – those who have been caregivers, those who are currently caregivers, those who will be caregivers and those who will need caregivers.” Caregivers are needed for family members of all ages. With appropriate information and support, family caregivers can help their loved ones across the lifespan.

Life Center was founded 27 years ago by caregivers Fran McNew and her friends at the Reynoldsburg United Methodist Church (Hal and Cathy Goodyear, Irene and Jack Godfry, just to name a few). They did this after Fran’s years of caring for her husband. She used her experiences and awareness to create a support system for others who take on the responsibility of caring for a loved one. In Ohio there are an estimated 1.3 million family caregivers (Central Ohio Area Agency on Aging, 2010 annual report). Some are adult children, but many are spouses, like Fran McNew in 1983.

Ms. McNew is a wonderful example of commitment to a spouse and continuing to serve others with the wisdom gained through her caregiving experience. Every day we see spouses who share this effort. Together they served and after one passes they continue to serve. Carol and John Marty shared their time and talents with Life Center and Carol continues to volunteer weekly. Both Jane Heishman and Laurie Newberg began volunteering with Life Center after the loss of their husbands.

We are family. Devoted husbands like Hugh Walker and George Robinson, who cared for his wife Rita for years, continue to share their wisdom by volunteering their time to educate other caregivers.

Fran McNew

They are not in caregiving roles but, Polly and Karl Snyder come to play guitar and lead our seniors in song. Shirley and John Vingle brighten our days with their animated musical entertainment and friendship. The Goodyears and Godfrys are also shining stars. Others who have been dedicated supporters are: June and Hugh Walker, Don and Martha Fog, Jean and Bob Bee, Okey and Cathleen Rousch, Frankie and Bill Maples, Katherine and Joe Spanovich, Floyd and Gloria Cross, Mary Ellen Johnson and Dorothy Lawson.

The Central Ohio Area Agency on Aging 2009 Annual Reports states that, “Participants (caregivers) viewed caregiving as rewarding and as an opportunity to teach compassion to children.” I agree, and must say, “Thank you for a job well done for all the caregiving throughout the years!”

Condo Community in Lancaster

the Sanctuary at Wesley Hills

Wesley Hills began as a dream of churches and citizens of Fairfield County in 1998. A feasibility study was conducted, and Methodist ElderCare Services advanced those discussions and statistics into the establishment of a steering committee. In the year 2000, The Reverend Stan Fawley was named Project Director and a Board of Trustees was established. The board members included The Reverend R. Robert Kimes, Dr. Jeffrey L. Moore, Mark R. Bibler, June L. Harcum, Kenneth Culver, The Reverend J. Brooks Gregory, Thomas L. Kokensparger, Eloise Randolph, Hugh Schaffner, Frank R. Smith, The Reverend Robert Woods and The Reverend Sue Ellen Miller.

Under the leadership of Rev. Stan Fawley the Board and the Capital Campaign Committee kept busy with surveys, presentations to churches and civic groups and the development of a newsletter. An option to purchase land on the west side of Pleasantville Road was announced the next year. The progress and development of Wesley Hills was based on the financial and time contributions from the Board, Campaign Committee and generous community members.

Rev. R. Robert Kimes assumed the chairmanship of the Board, and under his leadership the concept of a continuing care retirement community in the

Lancaster area inspired volunteers and supporters to remain dedicated and motivated. In 2004, 100% of the Wesley Hills Board members made gifts to the Capital Campaign. Included with the original Board members were: Robert Blackstone, Marj Derr, Michael Donnally, David Dryden, Nancy Green, Branson J. Hawkes, David C. Lifer, Robbie Miller, James Parker, Katherine E. W. Will, Earl Bishop, Lois Schleiffer, Norma Bagby and Grace Ray Moon.

Groundbreaking took place in the spring of 2006, and in 2007 Board members, Methodist ElderCare Executives, staff and community members gathered to dedicate the Community Center and the beginning of construction of the first phase of condominiums.

Thanks to all the Board members, Campaign Committee, volunteers and individuals from the community over the past ten years that have dedicated themselves to the vision of Wesley Hills that will shine into the future and bring blessings to the residents of the Lancaster area for years to come.

On the left is the beautiful country setting purchased in 2001 for the future Sanctuary at Wesley Hills. The Community Building is pictured above, and is available for residents' enjoyment with fitness room, game room and full kitchen.
